The Tiger Bar, established in 1932, was a popular watering hole. As the story goes, like most watering holes in Mono Co., the Tiger had slot machines & poker tables. One day, the Revenuers called & said they were coming to town to stop the gambling. All slot machines were gathered up throughout town & thrown into June Lake, never to be seen again. Many divers have gone looking, but have always come up empty handed. June Lake will hide the secret forever.

The current owners purchased The Tiger in 1978 and remodeled in 1986, with a careful eye to retain the historical 1932 look. It's still the OLD TIGER BAR, welcoming everyone in their travels along with the awesome locals! We'll see you again. THANKS!
